

UDC Registration/ AWDF Record Book Application

The purpose of the UDC registration program is to provide serious breeders with information on UDC registered dogs pertaining to health, character and conformation. Breeders will have a complete source to aid in breeding sounder, healthier dogs. This program will be designed to help promote the TOTAL DOBERMAN and should have a significant impact on the direction our breed will take. UDC is encouraging all members to participate in the program to ensure that our database accumulates enough information to become useful.

All registered dogs will be assigned a UDC registration number.
