

UDC Registration Program

The purpose of the UDC registration program is to provide serious breeders with information on UDC- registered dogs pertaining to health, character and conformation. Breeders will have a complete source to aid in breeding sounder, healthier dogs. This program will be designed to help promote the TOTAL DOBERMAN and should have a significant impact on the direction our breed will take. UDC is encouraging all members to participate in the program to ensure that our database accumulates enough information to become useful.

To register your dog, send the following -

2. Copy of AKC/CKC registration certificate - front & back (or comparable foreign registration certificate)

Proof of title and championships must be provided to be included in the dog's records. Medical information must be documented by a veterinarian. Hip dysplasia rating must be certified by OFA after the dog reaches the required age of two years.

All registered dogs will be assigned a UDC registration number and members may wish to tie this number to the dog via a tattoo. As the dog participates in UDC's character tests and conformation events, the respective results will be entered in the dog's file and will be available to members only, for a nominal fee.
